Delivery statement

We confirm that the digital products and/or online services listed above were made available electronically to the customer for order YK2026529488 and invoice 2026-1790. Delivery was performed in accordance with the applicable terms and conditions for digital products. No physical shipment or tracking number applies.

For digital products, proof of delivery consists of the order/invoice record, electronic availability of the purchased content or service, and this delivery confirmation. Additional transaction evidence can be cross-checked against the payment provider dashboard and order records.
